

To:

Prof. Dr. Saša Dobričić

President of UNISCAPE

European Network of Universities dedicated to Landscape Studies and Education

Skopje, 23 June 2026

Subject: Expression of Interest and Request for Membership in UNISCAPE

Dear Prof. Dr. Dobričić,

On behalf of the University American College Skopje (UACS), I would like to express our sincere gratitude for your invitation to join UNISCAPE and for the opportunity to become part of such a distinguished European academic network.

Following internal consultations and the consideration of the opportunities offered through membership, I am pleased to inform you that the University American College Skopje wishes to formally express its interest in joining UNISCAPE as a member institution.

We strongly share the values and objectives promoted by UNISCAPE and the Council of Europe Landscape Convention, particularly the commitment to advancing interdisciplinary education, research, and international cooperation in addressing contemporary environmental, territorial, cultural, and societal challenges.

We believe that membership in UNISCAPE will contribute significantly to the internationalisation of our university, strengthening academic cooperation, research partnerships, educational initiatives, staff and student mobility, and participation in collaborative European projects. At the same time, we are committed to actively contributing to the activities and development of the Network through our academic expertise, research activities, educational programmes, and institutional engagement.

In accordance with the membership procedures, University American College Skopje hereby designates Assoc. Prof. Dr. Pavel Veljanoski, School of Architecture and Design, as the official representative of our institution within the UNISCAPE Network and the primary contact person for all matters related to our membership and participation in network activities.

Should our application be approved by the General Assembly, the University American College Skopje confirms its readiness to fulfil the obligations associated with membership, including the payment of the annual membership fee and active participation in the activities of the Network.

We would be honoured to join UNISCAPE and look forward to contributing to its future development while strengthening academic cooperation among member institutions across Europe and beyond.

Sincerely,

Prof. Dr. Venera Krlju
Rector
University American College Skopje
North Macedonia
